ASSIGNMENT

WHEREAS, I, Victoria Beck, an individual residing at 11 McIntosh Lane, Bedford, New Hampshire, USA 03110 (the "Assignor"), represent and warrant that I am the owner of the entire right, title and interest in and to the United States and foreign patent applications identified on Schedule A hereto, and in and to the inventions disclosed therein, subject only to the rights of the University of Maryland with respect to the Diagnostic Method, as defined in the Patent Assignment Agreement between me and the University of Maryland dated October 19, 1998 (the "University Rights"); and

WHEREAS, the Autism Research Institute, a California not-for-profit corporation with an address of 4182 Adams Avenue, San Diego, California, USA 92116 (the "Assignee"), desires to acquire an undivided fifty percent interest in and to the entire right, title and interest in and to said United States and foreign patent applications identified in Schedule A hereto, and in and to the inventions disclosed therein, subject to the University Rights, in the manner set forth in this Assignment;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assigns unto the Assignee, and its successors and assigns, an undivided fifty percent interest in and to the entire right, title and interest throughout the United States, its territories and all foreign countries, in and to the United States and foreign patent applications identified in Schedule A hereto and the inventions disclosed therein, including the right to claim priority thereto under the International Convention; in and to all patents issuing thereon; and in and to all divisions, reissues, continuations, certificates of reexamination and extensions of such applications, inventions and patents; together with all rights of action and recovery for past infringement thereof; for the full term for which any patents thereon may be granted; subject in each case to the University Rights, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

AND, the Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any other granting authority to issue all patents of the United States and all foreign patents on such patent applications to the Assignee, to its successors or assigns, as the case may be, and to forward any and all correspondence, notices and filings with respect thereto to Victoria Beck at 11 McIntosh Lane, Bedford, New Hampshire, USA 03110, and to the Assignee at 4182 Adams Avenue, San Diego, California, USA 92116.

IN WITNESS WHEREOF I, Victoria Beck, have caused this Assignment to be executed this 12th day of February, 1999.
